- 1. This memorandum is for information only. As of 31 May 1956,
  agent contracts with allowance provisions had been reviewed
  and the necessary action taken to provide for the taxability of allowances.
  The eight (8) remaining cases will be completed as soon as certain necessary
  information is secured from the field by the Area Division concerned.
- 2. Although in a few instances there has been difficulty in securing information from the field due to infrequency of contact with some of the contract agents, it is presently contemplated that all remaining cases will be reviewed and appropriate action taken prior to 30 June 1956.
